

2024 J/24 World Championships

Question for Officials

Date: 2024-10-03

Question No: 01

Question For: Technical Committee

Question:

We had a winch break today so we would like permission to either fix or replace this one.

We will make sure additional weight is added to the boat if the new winch is lighter to make sure the boat remains at weight.

Answer:

Winch has been repaired and approved by TC
