HKODA Open and National Championships 2024

Question for Officials

Date: 2024-10-09

Question No: 02
Question For: Organizing Authority

Question:

It is necessary to create an account on RRoS in order to sign in and sign out sailors?

Answer:

No. Just like submitting a protest or filing a question, it is not necessary to have an RRoS account in order to sign sailors in and out.
This function will become publicly visible after the entry list has been uploaded to RRoS, sailors checked in (registration completed) and a Launch has been scheduled for the day.
