## Question for Officials

**Date: 2025-02-27**

---

**Question No: 02**

**Question For: Race Committee**

**Question:**

For Three Tree Point halfway time - NOR says record rounding time when Buoy C has a bearing of 180-degrees... Since this is a starboard rounding, shouldn't that be 360-degrees?

---

**Answer:**

We are aware of this and in the process of correcting. Should be 360.
