

WingFoil Racing World Cup Morocco

Question for Officials

Date: 2025-03-18

Question No: 01

Question For: Technical Committee

Question:

Dear Technical Committee,

Can you confirm whether the use of tracking devices such as Sailmon or Vakaros (which are without access to outside help) during racing for data collection and post-race analysis is permitted during the World Cup races?

Answer:

At World Cups, the WingFoil Open class rules apply. Tracking devices are permitted if not prohibited by the Notice of Race (which is not the case).
See class rule C.4.2(c)
