**Question No: 01**

**Question For: Race Committee**

**Question:**

I think in the GT race yesterday I did finish in time but did get a DNF score, I actually think I arrived before some of the competitors who did not get a DNF. I also did round all buoys but at the last one the jury boat had already left. My approximate race time was between 33-34 minutes not exactly sure, I stopped my watch only once I was on the beach and it was at 37
