Question for Officials

Date: 2021-04-23

Question No: 01

Question For: Race Committee

Question:

I was in 66th place after the initial scores were posted after race 7. I had one point added to my score in race 7 based on a scoring inquiry but I ended up moving 2 places down, (66th and 67 are not tied) Can you please explain this happened and if I am in 68th, do I still qualify for gold fleet tomorrow? Thanks!

Answer:

There were scoring changes in other flights as well, which impacted the overall placement of many sailors. The cutoff for gold fleet is 67.
