---

**Question No: 03**

**Question For: Race Committee**

**Question:**

Are Nob life jackets approved to be worn by the competitors in the CSG 2025?

---

**Answer:**

Regulations for PFD's are stated in the Small Vessel Regulations and need to be Canadian Approved.

See <https://laws-lois.justice.gc.ca/eng/regulations/SOR-2010-91/page-4.html#h-769664>  
They must be appropriately marked and be approved for Canadian use.

If you would like an opinion on a specific PFD please send a picture of the manufacturer label with approval information and we can look at it.
