Question for Officials

Date: 2025-07-30

Question No: 27

Question For: Race Committee

Question:

We would like to ask about the use of the support boat.

Is it possible to use the support boat for transferring general goods as food, beverages etc... except sails as per S.I. ?

Thank you

Michele

Answer:

From the preparatory signal till the end of the race, there cannot be any contact between a support boat and any racing boat.
