Question for Officials

Date: 2025-08-26

Question No: 02

Question For: Protest Committee

Question:

Good day, Just having a look a closer look at the posted results. I'm curious about the Redress scoring for "Too Wicked" in race #1. Can you explain how the scoring position of "2" was arrived at? That number does not represent average points, and seems somewhat arbitrary. I look forward to your reasoned explanation. Thanks in advance.
Alex Fox, Skipper Crantini 11.

Answer:

The hearing decision was to grant redress to #304 in race 1 equal to the average of her scores in races 2,3,4 and 5. This was published on the official notice board for hearing #3.
