

Dartmouth Royal Regatta Sailing Week 2025

Question for Officials

Date: 2025-08-29

Question No: 06

Question For: Protest Committee

Question:

Hearing decision 6 Muskox request for redress. Checkmate clearly radioed no assistance required relayed by Darkwood to Race Committee. In race3 first downwind leg Muskox severely wrapped their kite on gybing , completed first downwind leg with wrapped kite half down. They then went upwind with kite still wrapped and unable to hoist jib. As a result they were significantly behind the fleet and in last place at the second rounding of windward mark. By all means give them last place but we believed at the time ignoring the earlier radio broadcasts and advising race committee of their intention to offer assistance was a ploy to obtain redress given they were so far behind.

Answer:

Thank you for your statement. The Protest Committee in accordance with RRS 61.4c will have tried to make as fair an arrangement as possible based on the information that was available to them at the time. In accordance with RRS 61 you are entitled to submit a request for redress, as is any other competitor.
