

J/24 World Championship 2025

□ Question for Officials

Date: 2025-09-09

Question No: 03

Question For: Organizing Authority

Question:

Please could we have guidance on where boats may or may not moor on the dock? We are concerned about the forecasted weather this week and the potential for damage where boats are mooring 7/8 abreast.

Thanks

Answer:

Please see published Organising Authority Directive - Notice to Competitors No. 5

Thank you
