Porto Cervo, 7 – 13 September 2025

Maxi Yacht Rolex Cup

Question for Officials

Date: 2025-09-10

Question No: 06

Question For: Race Committee

Question:

Report Man Overboard

During navigation and due to sail tackpoint failure, man fell overboard.

MOB procedure was activated.

The crew member was retrieved on board by our own means under sails in 5 min.

The boat then resumed the race normally.

(This report was originally submitted as a protest at 15.06hrs)

Answer:

I understand that you had a MOB incident and thank you for your information regarding the incident, as required by SI 19.6.3.

Unfortunately the Race Committee did not hear any VHF communication until you advised us that you were retiring. We hope everyone is now recovered and your day is better tomorrow.
