**Question No: 01**

**Question For: Protest Committee**

**Question:**

Can female competitor compete in ILCA 7?

---

**Answer:**

There is no requirement neither in the class rules or Notice of race regarding the crew gender.

Only requirement regarding the crew in the class rules is that "Boat shall race either with one or two person aboard. When two persons race a boat they shall race together throughout the entire race or series of races without alternating at the helm." - class rule 7(a)

Only requirement regarding the crew in NoR is that competitors shall be members of their MNA (NoR 3.2)
