## Question for Officials

**Date: 2025-09-29**

---

**Question No: 06**

**Question For: Race Committee**

**Question:**

Sailing Instruction 12.5 says: spinnakers and gennakers are prohibited before crossing the startline. Could the race committee define if a rolled gennaker not "set" could be hoisted before the startline and deployed after crossing the starting line?

---

**Answer:**

The Race committee confirm that the gennakers or spinakers can be hoisted before the start and déployer after having completely crossed the starting line . SI 12.5
