Question for Officials

Date: 2025-10-03

Question No: 24

Question For: Race Committee

Question:

By S.I. 12.5 "spinnakers and gennakers are prohibited before having completely crossed the start line". Is the use of an open code 0 permitted before crossing the start line or has it to be considered as a spinnaker if it is in the spinnaker's section on the certificate?

Thank you

Answer:

Code 0 is considered as a spinnaker.
