

Moroccan Optimist Open Championship 2025

Question for Officials

Date: 2025-10-25

Question No: 02

Question For: Race Committee

Question:

From all the coaches and sailors involved in the championship we'd like to ask the jury to reconsider their choice of removing the DNE from ESP 3581.

We don't think it respects the fairness of the game, and it doesn't respect the sailors who decide to play by the rules, especially GBR 6675 and FIN 1255 that decided to withdraw from the race.

Yesterday in the second upwind it was clear that many sailors were sailing their boats not in a proper manner therefore we kindly ask to respect the rules and play by them.

All the sailors know the rules therefore we can apply them.
