Question for Officials

Date: 2025-10-30

Question No: 02

Question For: Race Committee

Question:

Dear Jury,

we are wondering why our inquiry for the DNC of AUT 1160 in race 3 YELLOW has been denied.

Tim reported he was clearly right behind AUT 2025 and next to him was a GER boat - unfortunately he can't remember the number as there were a bunch of boats next to him.

Please check your video of the finish YELLOW race 3 what was happening after AUT 2025.

Thank you.

Stephan Kolber
