

Aramex Dubai to Muscat 2026

Question for Officials

Date: 2026-01-26

Question No: 07

Question For: Race Committee

Question:

Dear Race Committee,

I am writing to request dispensation to carry and fly spinnakers with an alternate sail number.

Whilst one of our spinnakers is correctly numbered 'UAE 380', we would also like to carry and use the below sails:

White Spinnaker with the sail number UAE 3066.

White Spinnaker with the sail number GBR 7530.

White Spinnaker with the sail number GER 7030

I confirm that the size of all spinnakers carried are compliant with our IRC measurement and that no other boat entered has those sail numbers.

Thank you for your consideration.

Kind regards,
Ronan Considine

Answer:

Approved if included on IRC Cert.
