

## 2026 WASZP Pre-Games

### Question for Officials

**Date: 2026-03-19**

---

**Question No: 01**

**Question For: Technical Committee**

**Question:**

Asking for clarity on rulings for the following pre racing

1. Use of articulating gps mounts
2. Reversing order of blocks in the outhaul/vang from rigging instructions
3. Bypassing the hull block in mainsheet system
4. Including a non friction ring in mainsheet soft shackle (prevents outhull/vang wear and deflects for better alignment)
5. Trimming parts of wing pins
6. Adding filler (sealant or similar) in wing brackets / joints
7. Bypassing blocks in the outhaul/vang system
8. Addition of draft stripes (full length)

---

**Answer:**

---
