

2026 WASZP Games

Question for Officials

Date: 2026-03-26

Question No: 05

Question For: Race Committee

Question:

1. The Notice number 2 said: Change to the SI 5.1 and 10.1.

"SI 10.1 is delated and replace with:

..."

2. The SI 10.1 said " 10.1 The Vakaros RaceSense system will be used by the Race Committee and the relevant information will be available to all boats"

Is this change means that Vakaros RaceSense system won't be used by the Race Committee for the Sprint Race?

Thanks.

Answer:

No. SI 10.1 is in effect for Sprint Race.

The intended change is to SI 10.7 but it was numbered by mistake in the Notice - 2 as 10.1. Notice 2 will be amended to show 10.7. No other changes.
