Question No: 03

Question For: Race Committee

Question:

Hi,

We'd like to inform you that my competitor from Germany was on the 1st race 7th, on the 2nd race 16th and maybe better because there was a lot of pms and on third race he was 33rd. On the provisional results on the first race he has dnc and second also dnc, and the third is correct. Please update the results.

Thank you in advance.
