

49er, 49erFX and Nacra17 Junior World Championships

Question for Officials

Date: 2021-07-09

Question No: 01

Question For: Protest Committee

Question:

We tried to submit a request for redress within the protest time limit, but the system would not let us submit. We would like to file for redress because another boat broke our tiller in race 2 (they are retiring) and the race office told us to ask the protest committee. Can we fill out a paper form since the digital platform isn't working for us?

Answer:

Dear Steven,
it seems that you actually being able to use the system. In any case you can also hand in a piece of paper.
