Question for Officials

Date: 2026-05-06

Question No: 06

Question For: Race Committee

Question:

By S.I. 9.1 we are should display our class flag at a minimum height of 1.5 meters above deck level. Can we display it instead on the central aft stanchion (1 meter height) to be sure it is always clearly flying and avoid to be hidden when on the leeward runner backstay side? Thank you

Answer:

Yes, displaying the class flag at the highest level on the center station is acceptable.
