## Question for Officials

Date: 2026-05-13

---

**Question No: 18**

**Question For: Race Committee**

**Question:**

at the 13th May 8:30 briefing, the PRO mentioned the possibility of deciding the scoring method for the coastal race (aph or constructed) "at a later moment".

Will that be before the start of the race or it can also be later than that?

---

**Answer:**

Constructed Course Method was used.
