**Question No: 05**

**Question For: Race Committee**

**Question:**

Dear Race Committee,

Thank you for great regatta ( as usual).

Saturday was busy afternoon with ckgn boat, therefore I had not time to look closer to the results.

I would like to place a complain regarding my result from race number 6 ( first on Saturday).

I am sure that we were one place before Mike Holt(USA9266 ) in this race as we fought to defend our position to the end of the race.

However according to official results Holt's place in race 6th is 20th where our (POL9140) is 29th.

I look forward to hearing from you with explanation of this mistake.

kind regards

Dominik Ostrowski  
POL9140

**Answer:**

Good morning, the race committee and the jury have reviewed the results and confirm your position in the standings. Furthermore, the correct procedure would have been to file a scoring inquiry under RRS. Best regards.
