

2026 IMA Maxi European Championship

Question for Officials

Date: 2026-05-26

Question No: 02

Question For: Organizing Authority

Question:

Please enable the TracTrac option to allow track data to be downloaded from the live web tracker.

Please also request the combined fleet tracking data file for dissemination to the teams. This is generated and sent by TracTrac HQ.

As a reference point both options were available at the recent Maxi North Sound event in March of this year 2026.

Answer:

The point has been noted. We will make the download possible.
