## Question for Officials

**Question No: 15**

**Question For: Race Committee**

**Question:**

Regarding the description of the course:

- what is the intention for the start? Upwind or Reaching?
- the Testa di Moro cardinal mark does not exist anymore, there are only the submersed rocks. Is there going to be a laid mark?
- Can you clarify the direction in which we should cross the finish line? In appendix Bravo Mark Zulu is supposed to be the starboard end of the line.

Best regards,  
Michele Ivaldi

**Answer:**

Thank you for the question. We have been made aware that the Cardinal post is missing, and we will update the course description to require boats to round the rocks. There will not be a mark in position.

At the moment, the intention for the start would be to reach, depending on the conditions. Bravo is not a mark in the course. So Zulu should be passed on your port side.
