## Question for Officials

**Date: 2026-06-03**

---

**Question No: 02**

**Question For: Race Committee**

**Question:**

The question that arises is this: Is the 8 metre fleet somehow persuaded that they are exempted from the requirement to register to race ? This time it was Norseman.

---

**Answer:**

I sat with Taylor Batty, a new owner of Norseman, at the end of racing yesterday and walked him through the registration process. They are registered.
