Question for Officials

Date: 2026-06-05

Question No: 20

Question For: Technical Committee

Question:

Good afternoon,

In the last downwind of the second race we believe we damaged again the rudder bearing therefore we kindly ask the permission to ho ton Portisco again and take the boat out of the water and the rudder out and fix the bearing rudder problem.

Thank you

Michele Ivaldi

Answer:

Approval given. Please remain in contact with the TC and provide updates as necessary. As before, no work other than to the rudder bearing and associated area.
