Question No: 01

Question For: Protest Committee

### Question:

Hello,

I'd like to question the validity of a protest against me, as it takes the rule 69 as the basis, which is not permissible as per RRS 69.1(c). Please state the protest committees intent of action regarding that protest. I'd like to know how to proceed, given that I leave today(11.06) in the afternoon.

Best Regards,

Jakub Kups
