Questions with regards to Sailing instructions: SI Appendix 01

Position of Course Marks describes Marks 10 and 11, however these marks are not used in any of the Course Definitions A1 to D4.

Can the RC please advise if they intend to create custom courses that use these marks?

If so, how will these courses be communicated, and what will be the minimum time between communicating the courses and the warning signal?

Answer:

Certainly they will be personalized Courses and communicated the day before
