Question No: 14

Question For: Race Committee

Question:

SIs 15.1 state that

“When a counter-starting vessel is moored at the port end of the starting line, it shall be considered as an obstacle. Boats passing between the starting mark and this vessel will be DSQ”

Does this rule apply at all times or after the class warning signal? What is the identification or description of the counter-starting vessel that can be possibly moored at the port end of the starting line?

Answer:

It always applies as soon as the orange flag is displayed.

The vessel is a white motorboat with the Regatta and SN St. Tropez flag
