

# Long Beach Race Week

## Question for Officials

**Date:** 2026-06-27

---

**Question No:** 01

**Question For:** Race Committee

**Question:**

Cuchulainn Calls out an 84, which is the one design rating number for rl. But we saw them fly a code zero.

Do they have a certificate that supports this? They have a standard OD and a PHRF rating posted on PHRF social. But one design rules do not allow a code zero.
