Foiling Week 2026

Question for Officials

Date: 2026-06-27

Question No: 01

Question For: Race Committee

Question:

the race course as it is is quite dangerous in two places: the top mark gate and the finish downwind on port.

We understand it may be too late to change today, but would you consider a course modification for the coming days, at least at the top mark?

(Last year at FW we had a mark to leeward of the top mark)

Answer:
