Question for Officials

Date: 2026-07-07

Question No: 04

Question For: Protest Committee

Question:

the decision shown for today's protest meeting is incorrect. The decision communicated at the meeting to myself and the protester was that the protest was dismissed . 'No further penalty' in isolation infers something quite different. Kindly correct this. I am not happy with the inference.

Answer:

during the hearing we explained that as an applicable penalty had been observed no further action was available to us.
you then left the hearing.
