Question No: 02

Question For: Organizing Authority

Question:

Notice of Race – Item 3.2 - Satellite Communication in Addition to Cellular Phone:

Copy of provision from the Notice of Race:

NOR 3.2: [DP] Official communication with competitors will be through the online ONB, and there will be additional courtesy information via e-mails and/or WhatsApp. Each boat shall have at least one device connected to the internet with WhatsApp installed, excluding satellite communication device.

We are planning to have a cellular phone with a SIM card to meet the requirements of NOR item 3.2. We wanted to confirm if “excluding satellite communication device” would restrict a competitor from having a satellite service, such as Starlink, in addition to the required cellular phone with SIM card?

Answer:

The notice of race explicitly states that satellite communication devices are not permitted
