Question for Officials

Date: 2026-08-09

Question No: 01

Question For: Race Committee

Question:

Dear Race Committee, I think there was a mistake with my sailnumber, because I was registeres with AUT-2046, however I got a new sail just before the regatta with the number AUT-2092.

Propably that is why I am scored with DNC and that is why you didn't find me on the list.

Please forgive me for this confusion and if possible change my sailnumber to AUT2092. Thank you.
