Question for Officials

Date: 2026-08-20

Question No: 07

Question For: Protest Committee

Question:

I thought I had properly submitted a protest on 18 August following an incident in S3 race 7 division 3. But I do not see it in the list for hearings. Was my protest received? Did I not complete it correctly? If so can I resubmit?

Answer:

Your protest was not received. You can file it again and the protest committee will decide if the protest is valid. Protests can be valid if there is a good reason as to why the protest was not filed within the time limit.
