Question for Officials

Date: 2026-08-22

Question No: 08

Question For: Race Committee

Question:

Still listed as Div 3 . We had a good race in Div 1 . I'm pleased with our first listed in Div 3, but it's not what we raced. You have our finish time, that seems correct, but we started earlier with Div one. Can you rectify? My other races are still showing Div 3 and not Div 1. There seems to be a glitch?
