Question for Officials

Date: 2026-09-04

Question No: 01

Question For: Race Committee

Question:

Felt extremely disrespected from a skipper and their crew. Disparaging comments were made by the skipper and the crew laughed at and mocked me. Ignored responding to a wave and had a condescending smirk much of the time. I find this behaviour unsportpersonlike

Answer:

Thank you for your submission.

We appreciate you bringing forward your concerns.

The Racing Rules of Sailing (RRS) provide processes for addressing incidents (e.g. protests). Your message does not identify a specific incident, nor does it request action under the rules.

If you believe a rule has been broken we encourage you to follow the process contained in part 5 of the RRS.

Thank you again for raising your concern, and we encourage all competitors to maintain respectful and sportspersonlike behaviour throughout the event.
