

Cadet Open World Championship 2021

Question for Officials

Date: 2021-08-03

Question No: 03

Question For: Race Committee

Question:

When sailing from mark 2 to the Gate 3 the RC displays Sierra flag with 2 sounds on 2 separate RC vessels.

The course is: S - 1 - 2 - 3p/3s - 2 - 3p - 5 - F

The fleet already sailed: S - 1 - 2 - 3p/3s - 2

They are approaching 3p. A third vessel with a blue flag is positioned in-between 3p and 3s.

Question 1: How can a boat sail to *finish*? (see attached picture)

Question 2: Is displaying 2 Sierra flags at a rounding mark correct procedure?

kind regards.

GER 9695

Answer:

We displayed 2 sierra flags at each mark of the gate in order to make sure all fleet can see it. Usually one is enough. In this case during the second lap it was not a gate so any way from the sierra flag and the mark 3p should be ok.

The third vassel was not displaying any flag. Orange and bleu flags were closed around the pole. It Was moving leeward of the gate to help the committee to read the sail

numbers as it is very difficult to read them during the run.

If you need further information don't hesitate to contact me again.
