Question for Officials

Date: 2021-08-18

Question No: 07

Question For: Race Committee

Question:

Dear Sir,

Sailor Oscar Pitman competed in the ILCA 4 open competition over the past two days with a sail number 199073 and was correctly recorded

In today's results for the Laser 4 Nationals he was allotted sail number 190987, which is not his, therefore he was given DNC despite racing and finishing all three races sailed today.

Please can this be ammended and his results be allotted?

I am also concerned that he was racing for three races and continued to do so unnoticed it appears. Were the safety procedures carried out successfully?

Kind regards

Tim Pitman

Answer:

Sail number has been changed and scores entered. The results were recorded on the finish sheets therefore the sailor was monitored on the water.
