Question for Officials

Date: 2021-09-05

Question No: 01

Question For: Race Committee

Question:

Dear Jury,

I have registered 1 sail and 1 mast. Those are for heavy air conditions and I have been unfortunately low riding half of Race 1 both days. I have not been able to complete the second lap because of it, and have been struggling at times too during Race 2. Today I bought a sail + mast that would fit better the conditions that we are having, and would like to register it as my second sail + mast please. Would it be possible to do so by any chance? Ideally starting tomorrow morning.

Best regards,

Answer:

Yes, it is ok as long as you see the Measurer (Luigi Cuccotti, in room number 5) and get required stamps.
