**Question No: 06**

**Question For: Race Committee**

**Question:**

To the Jury, I could not get my classification on world sailing website as the website is not working. I have filled the form sent by e-mail and I got no answer. I joined here the questionnaire. So I kindly request you to validate my classification 1 as Corinthian. Thanks for your help. Sincerely. Yann Cheli FRA 409

**Answer:**

The NOR shows that the classification had to be got before March 4th 2022. You have asked the classification on March 25th 2022. In all cases to get the correct classification in World Sailing is the total responsibility of the competitor. So your request is not approved.
