

# Dragon European Championship - The Virginie Heriot Cup

## Question for Officials

**Date: 2022-04-06**

**Question No: 08**

**Question For: Organizing Authority**

**Question:**

I am helmsman of Dragon AUT 204 Diavel III.

Since nearly 4 month I am trying to get a renewal of my categorization as corinthian (Sailor-ID AUTCS6).

Because the online-tool on [www.sailing.org](http://www.sailing.org) ist not working, I sent several e-mails to World Sailing and also tried to reach them by phone uncounted times.

I got no reply! Not on my e-mails nor on the phone.

I sent an e-mail latest on April, 2nd which I attach to this message.

I also attach the document with the questionnaire whether you are a professional sailor or a corinthian sailor.

I have been a corinthian sailor since 2006 and since then have never been paid for sailing. So I hope to receive your acknowledgment as a corinthian sailor for this European Championship.

My crew-members Martin Lutz and Georg Skolaut sent their documents to the race office while registration.

If needed I am always available for a personal meeting to answer eventual open questions.

Regards,

Christoph Skolaut
