

MM Nastrorosa Female Offshore Medit Championship

Question for Officials

Date: 2022-04-11

Question No: 02

Question For: Technical Committee

Question:

This is a request from the competitors.

Considering the distance from shore at all time during this race, we believe 10 litres (small jerrycane) of survival water is enough.

Therefore we ask to change the amount of survival water from 30 litres to 10 litres.

Answer:

See answer to Question 1
