## 7. Description Of Incident

At approximately 40 seconds before the start Atara and Dutch Gold were sailing on starboard approximately 10 degrees below a close hauled course. Atara was clear ahead of Dutch Gold and one boat length to windward. Atara bore away, creating an overlap. Atara then rounded up to the same course as Dutch Gold and was positioned one boat width to windward. At this point Atara did a sharp round up causing her stern to make contact with the starboard side of Dutch Gold. Dutch Gold hailed protest and displayed a red flag.
