### PROCEDURAL MATTERS

#### FACTS FOUND

Alexandr (Alex) Denisiuc is coaching Laser Radial IND 195372 and Laser 4.7's IND 210440 and IND 210439.

When the last group of Lasers (4.7) started and they were beating on the middle of the first leg in the race 1, Alex positioned his boat next to the starting pin end boat.

While still inside the course area, Alex then drove to the direction of the outer loop of the course and crossed it above the gate marks 3s/3p.

When he crossed the outer loop course the Laser Radials were beating away from him with the distance of at least 100 meters from him.
