7. Description Of Incident

I was coming on starboard layline when nzl9 coming on port decided to tack too close in front of me, he missed the tack and forced me to jump to avoid collision. However the kites got in contact and NZL kite broke 2 lines of my kite bridle. Pictures of damage available and damages showed to NZL9 on the beach. The tip of the kite did not fly properly and forced me to dnf the race and head to the beach to replace broken bridles.
