7. Description Of Incident

At the time that was the launching time for every kite the wind was dropped and was really difficult to sail, also the wind shift to the left making more difficult to sail to the race course. I have my kite on the water with no assistants because the 1e race where happening and I was unable to reach the start in time. Also the men come to shore making more difficult to me to start sailing.

8. Damage Or Injury
